

WHERE WILL YOU
SPEND ETERNITY?

CALEB'S DECISION

I grew up in a good family and I have fond memories of my childhood. I was happy, energetic and a great soccer player. There was always a side of me that was mischievous and loved to have fun. Whilst most times it was innocent, at the age of 10 I was exposed to pornography which opened the doorway to a dark world. At 15, I went to a party and started to drink alcohol and smoke marijuana.

Eventually my bad behaviour resulted in me being told to leave the school. I continued down the party scene and started to use methamphetamines. This is where everything spiralled out of control. I lied and tried to hide my drug use but I was only fooling myself.

One night when I was 20, I was high on methamphetamine with no plans to change. I heard a voice in my mind, speak clearly saying, "life, choice, death". I interpreted that as, if I choose God, He would forgive me, He would set me free and give me everlasting life. If I kept choosing the life of drugs, I would experience death. Immediately, I prayed to God and asked Him to forgive me and be the Lord and Saviour of my life.

Today, nearly 6 years later, I am totally drug free, healed and restored. I walk in the joy, peace and love of God. I am glad I decided to follow Jesus for eternity.

**We invite you to say
this prayer from your
heart and decide
to follow Jesus for
eternity.**

Dear God,

I have been living life my own way, and I ask that you forgive me.

I believe Jesus Christ is your Son and that He died for my sins, and you raised Him back to life. I want to invite him into my heart to be Lord over my life.

Thank you for the gift of eternal life with you. In Jesus' name I pray, Amen.

Congratulations! We pray that this would be the beginning of your best days ahead and entering into God's plan and purpose for your life.

If you said this prayer today, please let us know so we can support you.
